Approval of the Agenda

The agenda was previously provided (Attachment 1) but in the absence of a quorum was not addressed.

Review and Approval of May Minutes

A copy of the May 2024 minutes was previously provided and are embedded in the agenda presented below. In the absence of a quorum, the review and approval of these minutes will be conducted by e-mail. Upon approval of the CEC, a copy (modified if necessary) will be forwarded to William for posting.

SIR Review/Status

As previously reported, the committee has no SIR to which they have not submitted the required response. No new responses have been received from the LASEC/AC regarding any unresolved SIRs.

Summer Meeting Agenda

Bob reminded attendees of the summer TNI meeting in Anaheim, CA in August and suggested those planning on attendance should register and make their hotel reservations.

Questions for TNI Credentialing Effort - Review of comments and questions from Jerry Parr on behalf of credentialing effort

As previously reported, the finalized list of questions from the CEC reference EL V1M4 were submitted for consideration. Michelle received a review of said questions from Jerry. These comments and questions will require the work group to reconvene to prepare an appropriate response.

Continuation of overall EL V1M4 review and preparation of DS

In the absence of a quorum, no further discussion or review of the DS in its preliminary form were conducted.

New/Old Business

No new or old business was presented.

The meeting was adjourned at 2:12 PM ET. The next meeting of the Chemistry Expert Committee is currently scheduled for July 3 2024 at 2:00 PM ET. Due to proximity to the Independence Day holiday, the meeting is being rescheduled for July 10, 2024 at 2:00 PM ET.
