

Consumables Task Force Meeting Summary
May 26, 2022

The Consumables Task Force was scheduled to meet on May 26, 2022, but was cancelled as continuing efforts of the Chair and Program Administrator dealt with participation and membership issues. A number of existing members volunteered to continue participation on the Task Force while others resigned due to other conflicting obligations. New members were also added to the Task Force. The revised Task force membership is presented below.

Judy Morgan, Pace Analytical Services (Task Force Chair)
Robert Benz, Horizon LIMS
Kathryn Chang, Eurofins CalScience
Dorothy Love, Eurofins
William Lipps, Shimadzu Scientific Instruments
Tammy Minigh, City of Daytona Beach
Amy Pollard, Occidental Chemical
Patsy Root, IDEXX Laboratories, Inc
Shawn Kassner, Kaychala Laboratories
David Smith, Environmental Express
Mike Booth, Inorganic Ventures
Tammy Kreutzer, Neilson Research Corporation
Michael Brechmann, BSK Associates
Jack Farrell, Analytical Excellence, Inc.

The next meeting of the revised Task Force is scheduled for June 22, 2022.
